### ***Urgent Humanitarian Appeal for the Needy People of Gaza, Palestine***

Dear Generous Donor,

The daily attacks and bombings of the Gaza Strip had brought death and/or injury, destruction and misery to the civilian population and life had become intolerable and unbearable. The situation is worsened by the imposition of a strict and comprehensive closure on all of its borders with the Gaza Strip, which resulted in placing 1.4 million Palestinians under complete siege for an indefinite period.

The above measures had created a humanitarian crisis; hospitals are unable to receive any patients due to the lack of drugs, medical supplies and oil to generate electricity. The general population is lacking the basic necessities of life such as food, clean water and medications.

Please donate generously in order to help your brothers and sisters in the Gaza Strip.

Rasem Abdel-Majid  
Executive Director & General Manager
